858 Sue Grove Rd Essex MD United States 21221

### Company Summary

Metropolitan Construction (Metro-Con) is a mid-sized Contracting and Construction Company serving the greater DMV area for over 25 years. Led by Mark Haynes, Metro-Con provides pre-construction planning, project management, bespoke construction, and interior finishes, of both new buildings and renovation projects. Implementing its diverse background and experience, Metro-Con is prepared to apply a unique perspective to the project management approach, with a company culture focused on professionalism and clear communication. Our unique advantage is our ability to rapidly adjust our labor force to meet both the time sensitive and volume demands of our client using highly trained construction professionals who can execute a wide variety of tasks. Metro-Con leadership, with backgrounds in construction, business, and law, make sure that responsibilities are clearly defined and promptly engaged to safely and efficiently achieve optimum performance and client satisfaction. Hard work, candor, and professionalism are the foundational values upon which Metro-Con is built so that you can build your best.
